## 2001 annual report

In 2000, Enable served 603 children and 630 adults. The agency employed a total of 606 people over the course of the year, in 384 positions, more than half of which are part-time.

Children & Family Services provided early intervention and pre-school special education and related services to 267 children aged birth to five in collaboration with Exploring Your World, Northside CYO and Westside Nursery, as well as other early childhood education providers.

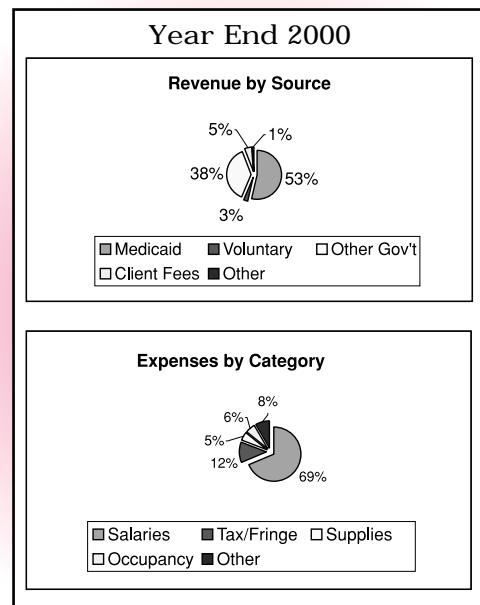

Community Services focuses on adults with developmental disabilities, although teenagers and people with other disabilities are also served. In 2000, 241 people participated in residential, day, employment and/or service coordination services.

Diagnostic, Clinical & Assistive Technology Services serves people of all ages and a wide range of disabilities. As a Diagnostic & Treatment Center licensed by the NYS Health Department, Enable collaborated with the Central New York Developmental Services Office and the Arc of Onondaga to provide therapy services at their locations, as well as at Court Street and the Nottingham. A total of 867 people were served in 2000.

Self-Directed Personal Services facilitated consumer-directed home care for 128 people. Enable is also host to one person's Self-Determination project.

Revenue was \$9,555,530; Expenses were \$9,554,539.

Enable's mission is to provide assessment, instruction, therapy and support for children and adults with disabilities and their families. Enable empowers people with disabilities to achieve their goals in harmony with the community. Our guiding principles are choice, inclusion, individualization and empowerment. We appreciate the support of those whose names appear in this newsletter, without whom we would not be able to achieve our mission.

## Pam VanPatten Retires

After 23 years of service as Fiscal Director, Pam VanPatten is retiring from Enable in June 2001. Dozens of Board members, hundreds of staff and thousands of participants have relied on Pam over the years for managing the day-to-day functioning of Enable's business office and financial affairs. Pam is most noted for her love of cats, chocolate and the Boston Red Sox, but she also has a passion for the success of Enable and the empowerment of the people we serve. We will miss her very much!

# highlights of 2000

**A**fter years of planning, Enable closed the Intermediate Care Facility at Clinton Plaza. The individuals who lived there moved to an Individualized Residential Alternative on Bradbury Drive in April. Now, they have single bedrooms, access to the outdoors and more living space. Several neighbors visited with the residents during an Open House in June.

The new Family Empowerment program is a mechanism to combine existing family support, parent education, respite and advocacy components into a coherent package, affordable to families. As with most Enable services, we operate in collaboration with other parent groups and disability service agencies.

With financial assistance from private foundations, Enable was able to open a new Computer Services component within our Assistive Technology department. A room has been set up with three workstations, each equipped with a variety of different adaptive devices and software to assist individuals with disabilities to improve their computing skills, job readiness and communication opportunities.

*Residents of Bradbury Drive happily showed neighbors the deck during the open house.*

## Visit the Vineyards of the World with Enable

*Chuck Pascale (left) and Bob Maltbie participate in the Mystery Wine Contest at Visit the Vineyards of the World with Enable on April 25th.*

**J**ustin's Grill, Pascale's new restaurant, was the site of the first annual wine tasting fund raising event to benefit Enable.

Organized with the help of Bob Maltbie, Chuck Pascale, Wendy Van Der Bogart, Ray Smith, Sara Wall-Bollinger, Barb Czarnecki and Tracie Baule, the event raised over \$4,000. Save the date for next year - April 11, 2002!

Thanks to our sponsors: Anonymous, Arad Evans Inn, Cygnus Management Foundation, Diane & Tom Galko, Hancock & Estabrook, Limestone Liquors, Bob & Mary Maltbie, Mid-Lakes Navigation, Pascale's Liquor Square, Paul DeLima Coffee, Pottery By You, Syracuse Stage, Sweet on Chocolate, Syracuse Opera, Wegmans, Chip & Karen Young.

# from the president

Mark Edwards (left) & Tim Murphy (right)

I am proud to serve as President of Enable's Board of Directors as we enter a new millennium with a revitalized public image and awareness campaign. This past summer, after a Board Member Retreat compliments of The Lodge at Welch Allyn, we initiated a new positioning statement: "individualized services for children and adults with disabilities". We have not abandoned our commitment to "empowerment", but selected a positioning statement that is more descriptive of agency services.

I would like to thank outgoing President, Mark Edwards, for his exemplary service and recognize once again the loss of Jerri Wilson, who was Vice President.

As we look ahead the Board of Directors of Enable reaffirms its commitment to serve the needs of people of all ages, with developmental, physical or health-related disabilities, and their families. Your support of our past and future efforts is sincerely appreciated.

Timothy P. Murphy
